CELEBRATED LIVER PILLS

FOR THE CURE OF Hepatitis, or Liver Complaint,

Symptoms of a Diseased Liver.

DAIN in the right side, uncer the redge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull heavy sensation in the back part. There is generally a considerable loss of memory accompanied with a painful sensation of having left undone something which ought to have been done.

A slight, dry cough is sometimes an attendant. The patient comp ains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensa-tion of the skin; his spirits are low; and although he is satisfied that exer-cise would be beneficial to him, vet he can scarcely summon up fortitude enough to try it. In fact, he cistrusts every remedy. Several of the above syu ptoms attend the disease, but cases have occurred where few of them ex-
